F	I the question of transferring the land free of cost to the Town Board is discussed at para 2 — of the City Engr's note dt 3-24 put up for reference.
E	Submitted for orders Sd/- [illegible] 10/2 I do not see any reason why the Trust should not agree to the transfer of the Irrigation Division of a portion of land belonging to the old Epidemic Diseases Hospital in exchange for the land obtained by the Trust from the said Division, but I consider that a fair value should be fixed for the portion given in exchange and paid by the Trust to the Govt. — A request to this effect may be made to the Trust in the first instance before any thought
